Proof of Age Instructions to Applicant

After entering your age on your last birthday, arrange to obtain and attach to the application proof of your age. One of the types of age listed below must be provided. Proof as high in order on the list as possible should be submitted if you have it because such proof is generally more convincing. For instance, if you have or can readily obtain a birth certificate, it should be submitted rather than a baptismal certificate or a statement of birth shown by a church record. If you do not have either of these proofs, or they are not readily obtainable, try to submit the proof listed below in order, rather than the one low on the list. You must attach a photo static copy of proof of age, except that you are cautioned that **NATURALIZATION PAPERS, UNITED STATES PASSPORTS, AND IMMIGRATION PAPERS *may not be photo copied***. If any of these is the only proof of age you have, submit the original and it will be returned to you.
